Subject: Kalispell Fox/ABC story on CFAC

Hi,

I wanted to send you the link to a story from ABC/FOX Kalispell's news this evening. I was interviewed this afternoon by the reporter. (Other than transcribing the "you knows" that I said in the phone interview in a quote in the article), I think this is a decent article/video.

<http://www.abcfoxmontana.com/story/25228001/columbia-falls-aluminum-plant-could-be-a-superfund-sight>

Let me know if you have any questions/concerns.

Thanks,
Rob
